

Support At Home Packages

● Effective 1 July 2026

Newcastle and Hunter Community Health (NHCH) is a family owned and operated business established to provide personalised care to participants in the NDIS and Aged Care (SAH and DVA) within the community. Our individualised assessment ensures we understand the personal health and lifestyle goals of each client and their family, accommodating cultural, religious and lifestyle choices in the planning process. Our professional team delivers tailored clinical, personal, and community support services.
